This book did not corresponds with the purple Workbook and Audio Activies.

By Amazon Customer

I brought this product because the Asi se Dice Workbook and Audio Activities Level 1 did not come with an audio cd, especially since certain pages asks the student to listen and repeat and then answer the questions. I was hoping this would follow the text of the purple book, it did not. However, it does provide exams for the students, I found no audio on it.

Great advantage!

By Happy shopper in TN

This is a great aid to have with the text. I highly recommend it. It was a wonderful help!
