BEGINNING MO PAI NEI KUNG (THIRD EXPANDED EDITION) BY SHIFU LIN PDF

Since the documentary Ring of Fire and the books Magus of Java and Nei Kung, many have clamored to learn Mo Pai Nei Kung from a man who calls himself "John Chang."

This "John Chang" is not the name of the man they seek, but it is a name he uses because he does not want to be bothered by hundreds or thousands of people, who in most cases will not even show the discipline with which to start learning Nei Kung.

This text will explain what you need to do in order to begin Mo Pai Nei Kung. If you accomplish this, then at the end of this text you will be told how to learn Level One of the Mo Pai Nei Kung.

This work itself will discuss the first four levels of Mo Pai Nei Kung, but obviously it does not detail their practice within. Since this book has been released, there has not been even one single person who claimed that they did not receive detailed instruction and follow-up correspondence in Mo Pai Nei Kung.

Scam, Fraud...Shifu Lin=Naziri=Fraud

By perl

This book is a scam! It is written by someone who never trained in the Art. Go to thetaobums web site and search for Micah Lin. You will find many threads exposing Micah Ben David Naziri=Shifu Lin=FRAUD. He has never trained for Mopai but he wrote this and several other related books so that he can get your hard-earned \$. If you follow this "Shifu Lin", you will not only lose your money but more importantly, your health. As someone in the taobums said " Level 1=\$300, Level 2=\$700, finding your teacher is a fraud=priceless".

Absolute Scam- DO NOT BUY THIS!!

By David

This "book" is a total scam. DO not buy this. The author only regurgitates information from another author's works (without citing it mind you) and then doesn't actually teach you anything. 90% of the reading is the author convincing you that you need to wire \$300.00 someone who goes unnamed to show that you are "dedicated" enough to learn Mo Pai. So aside from a very brief description about the four steps of Mo Pai- all you read about is the ethics of how THIS author has the right to charge you additional money, but anyone else that does this is a total quack. Don't give this person any of your money! They don't have anything to

teach you and all they are doing is taking advantage of people. DO NOT BUY THIS BOOK!!

just have read it

By Ben

i'm very interested in mo pai and always open for the philosophy behind every kind of art.

So i heard the first time of nei kung or mo pai through the internet or better the youtube video of his john chang.

It's really hard to find good literature about it, also because i think this students of john chang all tell a different story

about who is the bad man.

anyways just have read this 23 sites which can not really called a book and it don't seemed to have very much information

about mo pai in it. As another one wrote here 90 percent of the book is about why you should spend 300 dollars to learn the

first step, i mean sure i pay 300 dollar to learn this kind of art but why did i had to pay nearly 10 dollars to read that? The

Book itself is mor like a long letter where this guy claims that western people all about money...?

ok sorry for my english hope it helped u guys outhere
