BROKEN: DAUGHTERS OF THE JAGUAR BY WILLOW ROSE PDF

Praise: "Best series I have read! I loved Broken even more than Savage (Savage was fantastic also). I never felt like the storyline slowed down or was boring at any point". "Couldn't put this book down . I had to read it after I read the first. It was insane I love books like this that make you feel you are inside the book that your actually are the character." Description: The year is 1993. It has been ten years since we left Christian in Savage (Daughters of the jaguar#1). He is now a grown man, eye-surgeon and a father to five-year old William. Even though time has passed Christian hasn't aged a day. But now Christian is suddenly changing. Something is happening inside of him that he doesn't quite understand. Why are his eyes glowing? Why does he feel muscle-pain? Meanwhile Christian is fighting for his marriage when suddenly Aiyana's prophesy comes true and she is back in his life again. Broken is the second book in Willow Rose's series called "Daughters of the Jaguar". It is a paranormal romance with some language, violence, and sexual situations recommended for ages sixteen and up. It is the second in a family saga that covers three decades of the character's lives.

Great sequel!

By Grubb

In the sequel to 'Savage' we enter Christians life 10 years after his first encounter with the mysterious Aiyana and her family. Now he has a family of his own and is, not surprisingly, not fully happy in his married life. We're following Christians life and thoughts as he goes through the physical changes and starts having nightly encounters with Aiyana. What really drags you into the story is the fine balance between dream and reality. The transformations are so well described that one almost forgets that they are unreal. The dilemmas in the story are built upon real life dilemmas related to consequences of not living out your real feelings -

leading to both parties in a relationship living double lives.

I must admit that have troubles sympathizing with Christian as he seems to so driven by materialistic values and power that he chooses a life of others' expectations. Why doesn't he just go home to Denmark and stay true to his feelings? He takes the maid for granted in terms of looking after his house and son in his absence, whether it is related to his nightly adventures or his work...

Having said so, it is quite refreshing to read a novel where the main character is not per se a hero (or even particularly sympathetic for that matter). What I really like about Willow Roses novels is that it is not just another fantasy novel. It is a novel with several layers addressing truly relevant dilemmas in life. I can't wait for the third novel to come!

BROKEN (DAUGHTERS OF THE JAGUAR #2)

By josiehernandez

I REALLY LOVED IT. IT KEEPS YOUR INTEREST. HAS MAGIC, LOVE AND VALUES RELATED TO AN UNEXPECTED EXPERIENCE. IT REALLY KEEPS YOU READING UNTIL YOU REACH THE END. BOTH BOOKS ARE HIGHLY RECOMMENDED FOR ENTERTAINMENT.

Very Good Sequel and In a Hurry for the next

By Douglas C. Meeks

This 2nd installment into the series was a vast improvement over book 1 but to be honest there was a lot of "world building" that had to be done on the history of all the characters, with that out of the way the author was able to get into the meat of the story in a much better manner. This is not a rosy story, it is a story of myriad plots, the paranormal parts, the unrequited love story, the human drama and the fact that the authors pulls it all together in a entertaining (although emotionally draining at times) manner is admirable. The story of Christian and his loves and family are more insightful than most in this genre and a bit more paranormal tidbits are served up here. This sequel takes place 10 years after book 1 and I suspect the next book (assuming there will be one) will take place after a long passage of time. I have to give this one 4 Stars and maybe more but to my way of thinking the interaction with one of the characters was unfulfilled and without knowing the future I can only dislike it until some resolution is made. I would still have a problem recommending these books until there is a good ending or stopping place, this book improved upon book 1 but still we are left with too many questions. As a trilogy with some fulfillment I would have no problem recommending the whole set. I will see what the future holds in this series.
