The Hardy Boys investigate music piracy.

By Hardyboys.us

"Burned", the sixth volume of the Hardy Boys Undercover Brothers, is a letdown from start to finish.

Not only do the Boys have to investigate the somewhat dubious "crime" of illegal CD burning and music downloading (haven't these guys ever heard of iPods?) but it finds them almost eagerly finking on their classmates - even their buddy Chet Morton!

Of course, this being a Hardy Boys story, there is plenty of action. Unfortunately, there is very little detecting.

So far, I've enjoyed the new Undercover Brothers series and I hope this poor story is just a bump in the road and not a harbinger of things to come.

Not so good Hardy book

By A Customer

This was a good Hardy adventure, though there was good

parts and bad parts:

The good

The humor

The adventure

The bad

The case was easy to solve

Hardy's are getting a bit corny

The Hardy Boys #1 Fan

By Eileen Johnston

I chose this rating because this is truly a well written story line. Though I guessed at the beginning of the book that it was the teacher. I love how Frank admits to liking Belinda. I knew he did but he also likes Nancy in Nancy Drew and The Hardy Boys Super Mystery books. I think he will end up asking out Belinda. That would be a great ending to a trilogy or a book. I hope this series never ends!
