CAPTIVE HUSBANDRY AND PROPAGATION OF THE BOA CONSTRUCTORS AND RELATED BOAS BY DAVID FOGEL PDF

Boas are a diverse group of both New and Old World snakes. Adult specimens of certain sand boa species attain a maximum size of only two or three feet, while the green anaconda may exceed 30 feet in length. For decades, humans have maintained these snakes in captivity, but recreating an environment where boas can thrive and even reproduce has always been a challenge for the herpetoculturalist. This text provides information specific to boas or subspecies. All major captive care considerations are addressed, allowing the boa keeper to provide for and possibly breed their captives.

Captive Husbandry & Propagation of Boa Constrictors

By A. P Young

This is the perfect book for all ranges and levels of Boa owners from a single animal owner all the way to a professional breeder. This book is scaled more to the professional but, I highly recommend this book be in every library. Extremely informative. The book has some Color pictures, a perfect guide to sexing different Boas with a extremely well written chart for sexing many many boas, In - Depth coverage of husbandry of Boas, Heavily detailed on different species of Boas, This book also has an excellent list of both the Common names and the Scientific names of Boas, and Well worth the money!

7 of 7 people found the following review helpful.

A milestone in boid husbandry information.

By A Customer

This is an excellent volume for anyone wanting information on keeping or breeding boas. The superb chapters on designing a herp room, and heating devices will benefit anyone keeping reptiles of anykind ,not just boas. I thought the photos were especially good, including some of boas I've never seen.

3 of 3 people found the following review helpful.

good book

By gallarettke@msn.com

This is a great book if you are looking for information on breeding boas. It gives strategies and proven methods for a few different breeds. The info is great. The reason I did not give this book a 10 is because I think they could have added more pictures for the price
