A big hit with the girls

By Kid Kyoto

We have this story as part of a larger book and it is a major hit with our two girls. Even before school they'll take it off the shelf and ask to read 'Anna and Elsa babies'.

It's a simple story, when Anna and Elsa were small they sneaked around the castle created ice sculptures and snow while the King and Queen entertained guests.

The art is bright and cheerful and the girls relate to the idea of Anna and Elsa getting up to mischief together.
