Five Stars

By Amazon Customer

Great

3 of 3 people found the following review helpful.  
too expensive!

By Kathleen Siddons

like all college textbooks, it is too expensive for what you get. Also, you can get the previous edition, and it is almost the same, just different page numbers

4 of 5 people found the following review helpful.  
teaching today's helath

By A Customer

This textbook I found to be very helpful in my study as an elementary classroom teacher. I would not reccommend this book for use by parents, but it is a great text book.
