THE BLUEPRINT: WORLD'S SECRETS DECLASSIFIED BIBLE BY BRETT SALISBURY PDF

The Blueprint was written raw and unedited on purpose. Take any "reviews" with a grain of salt. Many are now Nasa apologists who claim nonsense including how "bad" the book was written. --It's comical--

Please start here. https://www.youtube.com/watch?v=X_rNGPOjcug

(Do NOT let the nasa trolls with their fake comments deter you). You can see by the free preview and summary just how In-Your-Face this book is. There is nothing like it to date.

1. Operation LightSquared (<https://en.wikipedia.org/wiki/LightSquared>) is going to lead you into a solvable rabbit hole to why the satellite hoax was pushed. (Besides the obvious reasons)
2. This document will set you free: <https://www.congress.gov/bill/114th-congress/house-bill/1678/text> (Section 2 will open your eyes)
3. Pay close attention to how LORAN came full circle and why.
4. I'm not giving everything yet, but it's the beginning of the end of the Satellite hoax.

THE BLUEPRINT is the single greatest debunking of the silly Satellites in orbit, Nasa, Spinning Globe/Ball hoax ever put in print. We show you how GPS (truly) works with an in-your-face deduction of fakery. We know the secrets of the world. From the real shape of the earth, to why the elite worship the occult. Theories are just that. Theories. Newton, Einstein, Copernicus, your "heroes", were masonic wolves in sheeps clothes who never proved anything as all space travel is impossible. We expose them using their own words. Watch how we do it. A page by page unraveling against pseudo science. We are the first in the world to explain and breakdown just what the "dome""tent""curtain" (Isaiah 40:22) is. Everything rises and falls, it's one of the 7 laws. We are level 6 think tanks, inspired by God. (Most people are level 2-3 thinkers). You are 129 pages from being set free. Open the book

If you're looking for a book with grammatically correct sentences and is lots of fun and fiction go pick yourself up a Harlequin Romance or Stephen King Novel or better yet, A free NASA pamphlet. If you want facts with a flow that is in-your-face, as if I were speaking to you...stay here.

The Dome? Here's the precise scripture to prove it:

1. Google Firmament. It means Dome or Vault.

2. Genesis 1:14 ¶And God said, Let there be lights in the firmament of the heaven to divide the day from the night; and let them be for signs, and for seasons, and for days, and years:

3 Light "IN THE DOME/VAULT/ "FIRMAMENT".

4. Again read Isaiah 40:22 - States again that We live under a dome/Curtain/Tent.

5. The Sun, Moon and Stars are IN THE FIRMAMENT/Dome/Vault/Ceiling/Tent

6. Genesis 1:16: And God made two great lights; the greater light to rule the day, and the lesser light to rule the night: he made the stars also.

This book has some good information on the flat earth if you can get past the numerous typos' and poor sentence structure. You'd think that one of the "7 contributors" would have proof read the document. This book makes statements of "fact" like "there are universes outside the dome" without any supporting documentation and were just supposed to believe him. The book is large print, sometimes double spaced with lots of pictures and 2/3 blank pages. The most verbiage comes from the "forward" by William Cooper. But the "forward" is at the end of the book. Mr. Cooper died in 2001 well before this book was published. A "forward" should be about what a great job the author did, but not in this case since I doubt that Mr. Cooper even knew this book was going to be published. If you want to know what Mr. Cooper thought then buy his "Behold a Pale Horse". If you remove the "forward" then the book gets greatly reduced in size. It should really be called a pamphlet. At \$23.75 plus shipping it is a rip off. He has links in the book that have no corresponding URL. This book is meant for downloading as a Kindle edition at which point it would be worth the \$4.95.

I always knew that the world is not like the powers that be says it is

By spiritlaughing

Everyone in the world needs to read this book. I always knew that the world is not like the powers that be says it is. I have read and reread the Bible and everything you need to know about this earth is there in black and white. This book breaks down all the lies that govern the people who are too lazy to think for themselves and readily accept what is spoon fed to them. Anyone with half a brain and uses it knows that you cannot trust any government, or people who work for it. Life as many know it is an illusion as plainly explained in this book, and backed up by the Bible. There IS God.

Satan rules this world at the moment and his best game is keeping those who do not want to see, hoodwinked. God is sovereign and satan's time is soon to be up. But right now, those who are too lazy and blinded are living in a science fiction created by lies, fancy phrases, silly unreal mathematics, ridiculous 'theories' that are based on NOTHING but air, and murderous governments that don't want you to know that God IS.

A wonderful expose and kudos to those who have the courage to liberate the world, tell the unvarnished truth, and try diligently to spread it abroad even at the risk of death.

A book that opens your eyes, making you want to learn more.

By Mike Helmick

The Earth is not a Spinning ball flying through space as you have learned as child in School. That globe in your classroom is a mind control device to indoctrinate you to the lie of the big bang, and evolution. It's used to remove the Creator, our great Lord God, the Father of the Lord Jesus Christ.

Satellites are not real, I have included a picture from the Goes13 shown through the University of WI Weather site a moon they pasted in their weather Satellite live feed. One would think a University would have more care in what they tell the students is real or not, since they take their money. That does not seem to be the case. Students come out of these mind control institutions saying it's Gravity, it's gravity yet they are never shown a real world experiment that mass actually attracts anything.

This book was written by those that know and have inside information. it will open your eyes to the real world around you and remove the illusion you have been told is reality.
