The Volkswagen 1200 Workshop Manual: 1961-1965 covers the 1961 through 1965 model year Beetle and Karman Ghia models. This is a vintage reproduction of original Volkswagen service and repair information for air cooled Volkswagen 1200 models sold in the USA and Canada. This technical archive edition is a historical record of the illustrations and procedures for routine maintenance, troubleshooting, repair and rebuilding.

Air-cooled Volkswagens (Type 11, 14, 15) covered:

Lots of Information that can be a challenge to find

By Lance Nuckolls

Though has a lot of detail and photos, I strongly suggest having the Haynes and Chilton service manuals for additional insight. Also, there is no index so finding the information for a task/procedure requires some hunting around using the table of contents as a starting point (not unlike many other car shop manuals from that period)... and once you find it, mark it with a bookmark and/or write down the reference/page numbers... you'll thank me later :-)

Excellent reprint of original shop manual

By Robert Harvey

This is a reprint of the original shop manual, and as such it is very complete, and very competent. Of course it assumes some level of auto mechanics knowledge, like what a spark plug is, and what ignition timing means. My only complaint is that they did not print the wiring diagrams in color, which they really should be. One can find the color-coded diagrams elsewhere on the net, but for the price of this book it would be not too much to expect. But, overall, still an excellent manual for this vintage beetle.

The VW repair book that has everything.

By Gary Haberman

This is a very comprehensive book (BIG and HEAVY); there is nothing missing here. It does not have the hand holding chatter that the John Muir book has (also recommended) but goes into great detail of every facet of repair (I mean, even welding body parts). This should be the second or third book you buy if you are maintaining or restoring an old beetle or Karmann Ghia. See all 20 customer reviews...

**VOLKSWAGEN 1200 WORKSHOP MANUAL: 1961-1965, TYPES 11, 14 & 15 FROM BENTLEY PUB PDF**

By conserving **Volkswagen 1200 Workshop Manual: 1961-1965, Types 11, 14 & 15 From Bentley Pub** in the gizmo, the method you check out will certainly likewise be much less complex.
